

“Match Point” Comes to Mix & Match

A fun and exciting new event is coming to the Mix & Match Tournament this May. It is open to ALL SCTA MEMBERS, whether you are a Mix & Match competitor or not. It’s your chance—yes, you—to win your 2022 membership dues paid in full, plus many other cool prizes, for a few minutes of great, fun tennis --- win or lose!

On Sunday, May 9th, about 1:00 PM, we know you are going to want to come out and watch your buddies in the semis and the finals of Mix & Match. But first we are giving every SCTA member a chance to be part of the action with this “First Annual Match Point Mini-tournament” on our stadium court while the Final teams prepare for their awesome matches.

The rules are simple—\$5 entry fee (all monies to be donated to local charities such as Public Tennis and Palmetto Animal League). Pay your money, line up with a partner (chosen by you or randomly paired), and step on the court with your opponents when called. The lower ranked team per their combined ratings chooses to serve or receive. Play **ONE** point. The winners live to play Round Two, losers join the cheering crowd of vaccinated seniors. We play as many rounds as it takes to get to the final one-point match, and the winners are awarded two paid-up 2022 SCTA memberships while the finalists collect their own prizes.

Mark your calendar, break into the piggy bank for that five dollar bill, show up with your racquet and court shoes, and GO FOR IT! Look for the pre-tournament sign-up and more details to follow. And, YES, late entries will be accepted right up to the beginning of MATCH POINT.
