HOW TO REGISTER YOUR TEAM:

What you need to register a new team:

- Your USTA number
- A NTRP computer rating or a self-rating
- Phone number
- Credit card information

To create a team and receive a team number, follow these steps:

Sign in to your USTA account and Go to TennisLink. League Home page:

<https://tennislink.usta.com/Leagues/Common/Home.aspx>

1. Find the "Quick Links" heading and click on "Online Team Creation". If you don't see "Quick Links" you may be on the dashboard page. If that's the case, find where it says "USTA League Home" and click on that. Then you should see "Quick Links".
2. Section = Southern Area = CCTA League= Age Division
3. Select Flight: Level of play
4. Type in Team Name.
5. Select Team Registration Button: closed
6. Select Home Courts Facility: If you click "Other Facility" button a new screen will pop up. Enter the first few letters of your facility and it should pull up. If you don't see your facility, try by zip code.
7. Click Create Team.
8. Next checkout and pay the registration fee. Enter credit card and click submit. Be sure to write down your team number to give to your players to register. If you did not get a Congratulations screen with an invoice number, the team is not registered, and the team number is not valid.

The format for team name:
Age / Last name of captain / Facility name
for example: CCTA40/Doe/TLC

Contact Kelly Todd (kellymtodd@yahoo.com), CCTA's combo coordinator, with any questions.
