

My name is Deb Welsh and I am interested in running for the position of Membership Director. I understand that this position requires computer skills which complement my work history. I am detail oriented, prompt and a stickler for accuracy, which I am sure is essential to this role.

As a retired Technical Trainer, I was self-employed for 19 years training the Microsoft Office Suite as well as Microsoft Project. During this time, I provided both classroom training and one-on-one coaching. Accurate and timely billing was crucial to my livelihood.

For the last 6 years of my career, I was a Senior Technical Trainer for DaVita Dialysis where I traveled to clinics throughout the US training doctors, nurses and patient care technicians to enter patient orders prior to and vital statistics during treatment via the company's proprietary software. When not traveling, I created courseware, trained classes via WebEx and performed Quality Assurance testing of new software.

A Sun City resident for almost 6 years, I hope to live out my life here. Tennis became my passion when I started as a true beginner 4 years ago. During the fall of 2022 I served as treasurer of the Women's 2.5 IntraClub League. In January of this year, I took the role of Coordinator for the league. This fall I will begin my 2nd season as Coordinator. I have received tremendous support from the Board and becoming Membership Director would be a small way to give back to the SCTA as a whole. I admire and respect the volunteers who step up to participate on the Board to ensure the success and growth of tennis in Sun City and to that end, I would like to be a part of that group.

Thank you for your consideration!
