

USTA Sun City League Information

Sun City "seasons" correspond roughly to the USTA seasons, but not exactly. SCTA seasonal lotteries and Interclub/Intraclub are woven into this matrix as best we can. See the summary below.

Approximate Dates	Notes	SCTA lottery season
Jan 15 to Apr 15	Men & Women, 55+ & 70+	Spring
Apr 16 to Jun 30	Men & Women, 65+ & 75+	Spring
Jul 11 to Sep 6	Mixed 55+ & 65+	Summer
Jul 28 to Sep 30	Combo, 5.5, 6.5, 7.5 55+ & 65+	Summer
Jun 10 to Aug 18	Tri Level 55+ (3.0, 3.5, & 4.0)	Summer
Oct 4 to Dec 15	BBTL Interclub (no states) Fall League	Fall

SCTA does not sponsor or place an individual on a team. Teams are formed solely at the behest of volunteer captains who come forward to register with SCTA, then the Beaufort-Bluffton Tennis League (BBTL) via Tennis Link. This league was identified as the Coastal Carolina Tennis Association (CCTA) prior to 2024.

Notification of upcoming seasonal leagues is sent out approximately 60 days prior to the start of each season (see the web page, under Leagues/Schedules/Forms, Lottery Guidelines & Seasonal Leagues).

This announcement, along with the online sign-up under "Forms" provides an opportunity for any SCTA member to announce a desire to captain a team, as well as a plan to lead a social group at the Lottery.

The best way to get on a USTA team is to network with like-rated players through social groups or intraclub and make your wishes known to existing captains. Contact SCTA's USTA coordinator or a member of the BOD for more information regarding existing captains, or how to captain your own team. Contact information can be found on our web page: www.sctatennis.com

Registering your Sun City Team with USTA

For each applicable season, the Captain or a designated player registers the team and generates a team number by using the Online Team Creation option under the My Quick Links heading on their personal USTA account page.

- Sign in to TennisLink and select USTA League Home, which appears in small letters in the middle of the screen.
- Under My Quick Links on the right hand side of the next screen, select Online Team Creation.
- Select Southern as the Section
- Select South Carolina as the District
- Select Bluffton Beaufort BBTL as the Sub Area
- Select your age group and flight.
- Enter your team name using this format: BBTL55/Licata/Hampton Lake (if you don't know your facility yet, use TBD.)

You will also have the opportunity to assign your facility. If it doesn't come up in the drop down menu, select Other Facility to perform a search by entering the zip code and the first letter of the facility name. Please note it will be listed exactly as it appears on match schedules. It's sometimes a little tricky to find the facility, we can assign it for you later if you have difficulty.

Once the person registering the team has paid, a valid team number will be generated. Individual players can register using the team number. Registration is \$20.15 per player.

There is usually a deadline to have at least the minimum number of players required. The registration open and close dates for each season are distributed annually from the BBTL coordinator. Schedules are generated after the registration close date.

Registration will reopen after schedules are generated so that you can continue to add players, which you can do up to the next to the last match in your schedule for 40+ and up to the last match for 55+ and 65+.

Note: Registering with **SCTA** is a separate process, to be completed well before the seasonal lottery. This registration is necessary to ensure we have courts available for your league and that all your players are within prime-time play limitations. See the web page for instructions.
