

Sun City! Coach with Us

Public Tennis is growing. We need more off-court and on-court volunteer coaches for our community tennis programs on public courts in Beaufort and Jasper Counties. Opportunities include Parks & Recreation youth and adult programs, school programs, Special Olympics programs, and USTA programs. No prior experience is needed, training is provided, hours are flexible, the work is rewarding, and it's fun!

New in 2024!

In addition to Special Olympics tennis at the May River and Bluffton High Schools, we have youth and Special Olympics programs starting soon at the nearby Hardeeville School.

Interested? Simply text your name to (843)310-6080 and we will be in touch!
