- Open group play at all levels
- The Chelsea Tennis Court Reservation System
- The Stroke of the Week Program
- Our tennis pros and how to contact them (several do group lessons at various skill levels)
- Social Groups who might be looking for players
- USTA, Intra, and Inter-club Team captains
- Ball Machine sign-up and orientation
- The benefits of joining **Sun City Tennis Association**. Joining entitles you to participate in USTA, Intra, and Inter-club leagues, obtain weekly pre-programmed court reservations for a season, and participate in social events. You will also receive a directory of all SCTA players with their NTRP rating.

If you do not have an NTRP rating (National Tennis Rating Protocol), an Ambassador can help you self-rate. The NTRP is a classification system that identifies and describes general skill levels of all players. Having an NTRP rating helps determine what level will be most enjoyable for you. See the web page ([www.sctatennis.com](http://www.sctatennis.com)) under Getting Started. It's also posted in the Logo Building.

You are not required to be an SCTA member to use the tennis courts.

The SCTA Ambassadors want to help enhance your Sun City Tennis experience!
