

World Team Tennis Leagues, Sep-Nov 2024

This fall, SCTA is starting a World Team Tennis (WTT) formatted league, one evening per week, Sep 12 through Nov 7. There will be separate leagues for 3.0s, 3.5s, and 4.0s. The number of teams/courts for each division will depend on the signups, but we have been authorized to use as many as all 12 lower courts, Thursday evenings, Sep 12 to Nov 7 (9 weeks), at 5:30 to 8:30 pm. Each division will play 3 matches: Women's Doubles, Men's Doubles, and then Mixed Doubles.

General Rules: Each match will be first to 6 games with no-ad scoring. If games are 5-5, you keep the same service rotation and someone will win the set 6-5. Team scores are cumulative. A complete list of rules will be further explained in the literature that is distributed in later this summer, or you can ask your coordinator.

Coaching and limited substitution is allowed (when initiated by the player leaving). Music will be available. The idea is that this league should have a festive atmosphere. We're still working on possible extras like food/drinks.

The number of teams per division will depend on the signups and available courts (anywhere from 6 to 12 teams). Each team may have anywhere from 3 to 5 players of each gender. All this depends on the signups and available courts. We will need a bank of subs or alternates, so when it is clear that we have all the players we can handle, other signups will go to the sub list.

Please sign up below if you are interested in playing WTT this fall. Signup deadline is **Aug 11**. Play is limited to ONE division per person. If you want to play up (in a higher division), be aware that SCTA rated players in that division will have priority, and you may be relegated to SUB status.
