

Effective March 2023

COURT GROOMING TIMES

Players are to groom the courts **twice** a day.
GROOM at the start of the 12:00 pm court time.
Groom at the end of the 4:00 pm court time.

COURT GROOMING PROCEDURE

- Drag the Broom (pictured above) around both sides of the court
- It does not matter which direction you go
- Be careful when going over the lines as the broom may catch a nail that might be slightly raised
- Drag the broom as close to the FENCE AND COURT BOUNDARIES as possible to activate the clay and avoid algae buildup.
- Please return the brooms to the hangers provided on the fences
