

ARE YOU THE NEXT SCTA CLUB CHAMPION?

The Club Championship will take the form of a Round Robin Men and Women's Doubles tournament, ending with a final playoff weekend. All levels, from Rookies to 4.0 are eligible to enter.

The Mixed Club Championships will be a Fast4 elimination event, as played at the 2025 US Open.

Men's and Women's Doubles

Date: October 12th – Nov 16th

The women's and men's doubles tournament will take place over 5 weeks. There will be 5 levels: Rookie (below 2.5), 2.5, 3.0, 3.5 and 4.0.

There may be multiple flights at each level and teams can expect to play one or two rounds per week, depending on the size of the flight, from Oct 12th – Nov 13th.

Finals playoff weekend will be Fri Nov 14th – Sun 16th.

Mixed Fast4 Tournament

Date: Thurs Nov 13 – Sun 16th

Fast4 is open to Rookies, 5.0, 6.0, 7.0 and 8.0. The combination of player ratings must add up to the level and not exceed 1 level between players, so as an example, a 3.0 may pair with a 4.0 in the 7.0 division.

Teams will play a single elimination Fast4 Tournament, which uses a simplified scoring format. The winners win the best of 3 sets. The first to four games wins the set, there's a tiebreak at 3-3 and no advantage scoring. The third set is played as a tiebreak.

If you do not have a partner for either tournament, sign up and we will pair you up with someone!
